CALLING ATTENTION TO A MATTER OF URGENT PUBLIC IMPORTANCE

re : Scarcity of Cement in Bangalore city.

SRI T. R. SHAMANNA (Fort).—I beg to call the attention of the Minister for Food and Forests to the scarcity of cement in Bangalore City.

SRI K. H. PATIL (Minister for Food and Ferest).—I wish to make the following statement :—

The recent shortage of Cement which appeared in the middle of February 1977, is mainly due to power cut. Since the Cement Industry is continuous processing Industry, the cuts in power consumption will result in more than proportionate cuts in production. The Karnataka State quota for the 1st Quarter 1977. was 2,40,000 Metric tonnes and additional allotment of 30,000 M. Tonnes was made by the Controller of Cement, New Delhi, and thus the total authorisations for the 1st Quarter was 2.70 lakh Metric tonnes, out of which the total despatches to the State were to the tune of 2.09 lakh tonnes leaving a balance of about 60,000 M. tonnes yet to be supplied against the authorisation in the 1st Quarter.
